

## Class 1

### Building Product Information Sheet:

Product name:

DECOTILE

Product description and its intended use:

Designed with premium quality in mind, this collection features intricately detailed boards with grains and knots, available in a variety of warm, rich, and contemporary colours reminiscent of wooden floors. Built to withstand the rigors of daily use, Decotile is suitable for all areas of the home, particularly high-traffic zones like stairs and landings. Additionally, its durability makes it suitable for commercial installations such as retail shops and offices.
