

## Class 1

### Building Product Information Sheet:

Product name:

Underlay

Product description and its intended use:

Underlay serves as a crucial foundation for your carpet, offering essential support and extending its lifespan. By providing a stable base, underlay enhances the insulation of your flooring while improving its appearance and sound acoustics within your home. Additionally, underlay helps mitigate the severity of indentations caused by furniture, ensuring your carpet maintains its pristine condition for longer. Moreover, it enhances underfoot comfort, offering an extra layer of cushioning for a more enjoyable walking experience.
